### NOTICE.

Attention of owners, trainers and jockeys is called to the following important racing rules:  
1. These rules shall go into operation and be effective on March 18th, 1901, and any other rules of racing shall be annulled, as from that date.

#### Colors Must Be Registered.

25. Racing colors must be registered with the Secretary of the Western Jockey Club, and when thus registered shall not be claimed nor used by others except in case of death or after five years' withdrawal from the turf. A fee of five dollars shall be charged for registering colors, and a certificate of registration shall be issued. In cases of conflicting claims, owners having colors registered previous to 1901 with any then recognized turf authority shall have prior claim to such colors. Colors bearing letters or symbols of an advertising nature shall not be registered.

A list of colors shall be officially published.

#### Registration of Horses.

34. The office of The Jockey Club is designated as the Registry Office.

The Registry Office is established for the purpose of the identification of all horses, whether foaled in the United States or in other countries, and the certification of their pedigrees.

Horses foaled in the United States or Canada must be registered with the Registry office by

November 1 of the year in which they were foaled.

The registration shall comprise the name, if any; the color and marks, if any, whether a horse, mare or gelding, and the names of its sire and dam. If the dam was covered by more than one stallion, the names or descriptions in full must be stated.

The registration fee shall be \$2 for each animal, which will include certificate.

Only horses are eligible for registry under this rule which have either five uncontaminated thoroughbred crosses, or which authentically trace through or to animals recorded in the first six volumes of the American Stud Book or in a recognized Stud Book of another country.

If it be proved to the satisfaction of the Stewards of The Jockey Club that the failure of registration be unintentional or accidental, such registration may be permitted by the payment of a fine of \$10, if such application be made on or before December 31st of each year, and if after said date, upon payment of a fine of \$50 for each registration.

#### Naming of Horses.

35. A name must be claimed through the Registry Office of The Jockey Club for each and every horse on or before the 1st day of March of its two-year-old year.

In case a horse is not named prior to March 1st, of its two-year-old year, it may be duly named upon payment of a fine of \$50, if name is claimed and allowed at least two days before date of starting.

No name that has been employed during the previous five years, either in the stud or on the turf, shall be duplicated, nor can a name be claimed for any horse not registered as a foal.

No horse will be allowed to start unless duly registered and named.

This rule shall apply only to horses foaled in 1899 and thereafter.

36. After a horse has run under a name in a public race that name shall not be changed. And no Association racing under these rules shall receive the entry of, or allow any horse whose name has been so changed after July 20th, 1894, anywhere or upon any course, to run upon its course.

#### Apprentice Allowance in Selling Races.

161. Boys who, while under age, have of their own free will and with the consent of their parents or guardians, bound themselves to owners or trainers for a term of not less than three years by a written instrument, certified copy of which has been lodged with the Stewards of the Western Jockey Club, shall be permitted to claim a five-pound allowance in all selling races, excepting selling handicaps. They shall be entitled to this allowance for one year after the issuance of their license. Allowance under this rule must be claimed at the time of entry, and the owner shall not be permitted to waive such allowance except by consent of the judges.

#### Trainers, Jockeys and Apprentices' Licenses.

179. Every person who trains or rides a horse, whether his own or the property of another, must obtain a license from the Stewards of the Western Jockey Club to do as trainer, jockey, or apprentice, respectively, and no horse unless so trained or ridden, shall be permitted to start. In cases of emergency a jockey or a trainer may be permitted to pursue his avocation pending action on his application, but a jockey or trainer having been suspended or ruled off and subsequently reinstated after the expiration of his license, shall not be permitted to pursue his avocation until a license has been issued. An apprentice shall not be required to apply for a jockey's license until after he shall have ridden a winner.

A boy who has never ridden a winner may be granted an apprentice license for one year, or until he does ride a winner, to and upon the application of his employer, and the apprentice shall not be permitted to ride for any one except his employer without his permission. The license shall be prima facie evidence of the employment of the apprentice.

180. No person against whom there are outstanding forfeit orders or other arrears, shall receive a trainer's or jockey's license.

182. (a.) Every license shall be for not more than one year, and shall expire on the 31st day of December after its issuance. The fee must accompany the application, and shall be fifteen dollars to a trainer or jockey, and one dollar to an apprentice.

#### Penalty for Racing at Unrecognized Meetings.

208. An owner or trainer running horses, or jockey riding the same, at any unrecognized meeting, shall be disqualified for all races to which these rules apply. Such horses and all other horses under the control of such owners and trainers shall also be disqualified. A person acting in an official capacity at an unrecognized meeting shall also be disqualified.

#### SPECIAL RULE.

Trainers, jockeys and apprentices holding licenses for the current year, granted prior to the 18th of March, 1901, shall be recognized by all Association to which these rules apply. Other trainers, jockeys and apprentices must on and after the said 18th of March, 1901, be licensed by the Stewards of the Western Jockey Club.
